## SMART SOLUTIONS FOR THE LABELING INDUSTRY

### BIG ELECTRONIC DISPENSER SERIES

model DN01

model DN02

Big Electronic Dispenser Series is the ideal solution for your label handling operations like the food packaging sector. Versatile, simple to use, reliable and tough, our big electronic dispenser will make it easy for you to apply labels in your manufacturing process. Available in two different versions: the model DN01 can handle labels up to 150mm wide, while the model DN02 is able to handle labels up to 220mm wide. All the other features are common to both models.
