Media Length	Up to 40" (1,016 m)
Construction	Metallic casing with industrial grade ruggedness
Built-in accessory	Automatic Cutter, Label Print and Hold
What's in the Box	Printer (Integrated with Un-winder), print head, USB Cable, AC power cable and ink cartridges
Warranty	1 Year limited warranty or 5 Million inches, whichever comes first

Productivity

Building on field proven technology, the VP750 combines the performance and reliability of our bestselling VP700 with **Enhanced Water Resistance Printing Technology**[1] to produce vivid colour labels and crisp text/barcodes that are suitable for Chilled Food & Beverages, Wineries, Animal Care, Chemicals, Cleaning products and most moisture exposed products.

1* Compatible with synthetic and paper based inkjet coated label. However, users are advised to conduct their own tests for compatibility & suitability for their application prior to mass production.

Accessories

- Re-winder / Un-winder
- Label Slitter
- Matrix remover & Slitter

Overview
